

**Dr. Barry Wellar, Member,
Canadian Institute of Planners, and
Ontario Professional Planners Institute
Professor of Geography (ret.)
University of Ottawa**

Journal, Proceedings, and Contract Publications in Transportation

- Wellar, B and K. Kansky. 1966. A spatial analysis. In *Monitoring Urban Travel* by W. Garrison and R. Worrall. Project 2-8, National Cooperative Highway Research Program, Highway Research Board-National Research Council. Evanston, IL: Department of Civil Engineering, Northwestern University. 262-289
- Wellar, B., D. Marble, D. Anderson. 1967. Urban and cultural features observable from a Gemini photograph. In *Earth Resource Surveys from Spacecraft*. Washington: Space Applications Office, National Aeronautics and Space Administration. 1: D-25/D-27.
- Wellar, B. 1968. *Hyperaltitude Photography as a Data Base in Urban and Transportation Research*. USGS Geographic Applications Program Technical Report, Contract No. 14-08-0001-10654. Evanston, IL: Department of Geography, Northwestern University.
- Wellar, B. 1968. On applications of thermal infrared imagery in urban research. *Annals of the Association of American Geographers* 58(2):411-413.
- Wellar, B. 1969. The role of space photography in urban and transportation data series. In *Proceedings from the Sixth International Symposium on Remote Sensing of Environment*. Ann Arbor, MI: Institute of Science and Technology, University of Michigan. 831-853.
- Wellar, B and E. Moore. 1969. Urban data collection by airborne sensor. In *Journal of the American Institute of Planners*. XXXV (1): 35-43.
- Wellar, B. and G. LaCava. 1970. Linear programs in urban and transportation planning: A new look at some old concepts. In *Proceedings, Canadian Association of Geographers*. Winnipeg: Department of Geography, University of Manitoba. 205-212.
- Wellar, B and G. LaCava. 1971. A note on duality and parametric programming. In *Journal of Regional Science*, 2. 267-270.
- Wellar, B. 1972. *Lawrence Area Neighborhood Analyses*. Topeka, KS: Kansas Department of Economic Development, Lawrence-Douglas County Planning Commission, and Institute for Social and Environmental Studies, University of Kansas.

- Wellar, B and G. LaCava. 1972. The gamma function in geographic research: A technical note. In *International Geography 1972*. W. Adams and F. Helleiner eds. Toronto: University of Toronto Press. 941-943.
- Wellar, B. 1973. Review of M. Levin and N. Abend, *Bureaucrats in Collision: Case Studies in Area Transportation Planning*. In *Journal of Regional Science*, 13(1). 154-156.
- Wellar, B. and G. LaCava. 1974. Parametrization of the gamma probability density function for examining and modeling space use. In *Proceedings of the 1972 meeting of the International Geographical Union Commission on Quantitative Geography*. M. Yeates, ed. 55-75.
- Wellar, B. 1975. *Housing for the Future: Questions and Arenas for Action*. B.75.8. Discussion Paper. Ottawa: Ministry of State for Urban Affairs.
- Wellar, B. 1977. Evolution of information systems as essential infrastructure in urban and regional governments. In *Papers from the 15th Annual Conference of the Urban and Regional Information Systems Association*. B. Wellar, ed. Chicago: Municipal Finance Officers Association. 20-28.
- Wellar, B. ed. 1978. *The Future of Small- and Medium-Sized Communities in the Prairie Region*. Ottawa: Ministry of State for Urban Affairs.
- Wellar, B. 1981. Economic development strategies: a Canadian context. In *National and Regional Economic Development Strategies: Perspectives on Canada's Problems and Prospects*. B. Wellar ed. Ottawa, ON: University of Ottawa Press. 3-11.
- Wellar, B. 1981. Impact assessment and conflict management: Confirming analytical approaches to development planning. In *Proceedings of the International Symposium on Conflict Management*. Kyoto: Department of Transportation Engineering, University of Kyoto. 80-102.
- Wellar, B. ed. 1981. *National and Regional Economic Development Strategies: Perspectives on Canada's Problems and Prospects*. Ottawa, ON: University of Ottawa Press.
- Wellar, B. 1982. Urban impact assessment in public policy processes: The Canadian record, 1968-1982. *Canadian Journal of Regional Science*. V, 1: 39-65.
- Wellar, B. ed. 1982. *Prospects for Planning: Coming to Grips with New Realities*. Ottawa: Canadian Institute of Planners.
- Wellar, B., G. Brinkman, and Woods, Gordon Inc. 1982. *Management and Planning Capabilities in Small Communities*. Ottawa: Federation of Canadian Municipalities.

- Wellar, B. 1989. *Definitions and Concepts of Urban Centres, Population Thresholds and Proximity/Accessibility to Services as Criteria for Determining Tax Benefit Eligibility*. Ottawa: Task Force on Tax Benefits for Northern and Isolated Areas, Department of Finance, Government of Canada.
- Wellar, B. 1990. Brief no. 87. In *Record of Submissions to Draft Official Plan, Vol. II*. Ottawa: Planning and Development Department, City of Ottawa. 530-560.
- Wellar, B. 1990. Brief no. 116. In *Record of Submissions to Draft Official Plan, Vol. II*. Ottawa: Planning and Development Department, City of Ottawa. 752-771.
- Wellar, Barry. 1990. Electeds, planners, people, and official plans: their new roles in defining and directing regional development. In *Focus for the Future Conference and Workshop Proceedings*. Waterloo, ON: Regional Municipality of Waterloo, Planning and Development Department. .
- Wellar, B. 1991. Expert witness and evidence summation of argument statements. In *Ontario Municipal Board Hearing in the matter of Proposed Amendment No. 8 to the Official Plan to the Regional Municipality of Ottawa-Carleton, Proposed Official Plan Amendment No. 7 to the Official Plan for the City of Kanata, and appeal against Zoning By-law No. 125-90 for the City of Kanata*. (OMB File Nos. 0900207, 0910004, R910015) for lands otherwise known as the "Ottawa Palladium" (and subsequently the "Corel Center"). Ottawa: Regional Municipality of Ottawa-Carleton.
- Wellar, B. 1992. Expert witness statement. In *Ontario Municipal Board Hearing in the matter of Proposed Amendment No. 4 to the Official Plan for the Regional Municipality of Ottawa-Carleton, Referral Item 8 and Referral Item 9 of the Official Plan of the Regional Municipality of Ottawa-Carleton, and Zoning By-law 335-90 as amended by Zoning By-law 10-91, City of Ottawa*. (OMB File Nos. 0900022, 910032, and R910120). Ottawa: Regional Municipality of Ottawa-Carleton.
- Wellar, B. and B. Harris. 1992. Information and knowledge bases for decision-making: A progress report. In *IS/GIS/LIS in Public Policies, Plans and Programs: Thirty Years in Perspective*. B. Wellar and D. Parr eds. Urban and Regional Information Systems Association, Washington, D.C. 85-105.
- Wellar, B. and R. Smith. 1992. A progress report on public policy objectives achieved through IS/GIS/LIS. In *IS/GIS/LIS in Public Policies, Plans and Programs: Thirty Years in Perspective*. B. Wellar and D. Parr eds. Urban and Regional Information Systems Association, Washington. D.C. 117-144.
